Choose between the following auto-renewing subscription options: - Mobile Plan - 6.99 per month or 59.99 per work through your Google Play account and will automatically renew unless cancelled at least 24-hours before the end of the current period. Apply to manage and cancel subscriptions can be accessed using Google Play, then tap your profile icon. According to Google Play policy; is Tynker is a complete learning system that helps kids learn to code. Kids start experimenting with visual blocks, then turn to JavaScript, Swift, and Python when designing games, creating apps, and creating incredible projects. Computer programming with Tynker, children use critical thinking, pattern recognition, focus, problem solving, debugging, resilience, sequencing, spatial visualization, and algorithmic thinking. Tynker's visual language enables them to easily learn and apply concepts as any common programming language. Free download Tynker - Learn to Code (Mod & Hack) for Android APK & Iphone IOS IPA. (Size: 89M) - Version 4.6.720. Released on May 8, 2022. By EN.VNMOD.NET. Tynker's educational games teach kids coding the fun way!. AMAZING! But theres one thing, could you add a sit animation to your characters so I can make a Bus Project!.Aaliya Rahman: This is a very good app but for the past few days it is not opening whenever I try to open this app i just kicks me out can you please fix this problem i beg you!. Sharmi Saha: When I was opening it was closing every time I did that. Ratnesh kandpal: Worse didn't open at all. Iron Gaming: Crashes after loading. Josephat Ani: Nice. Ashley Bullis: I love this game. I play it on my school Ipad. But I got it on my phone and I tried to log in but it didn't. And when it did, some of my unplublished projects weren't there. By the way, this is Android, and a old phone. I suggest this game, but don't do it on android phone. Tynker, can you fix this glitch? -10 year old.ONLINE DANCE: Its same as scratch.shree shekhar: It is not opening and it says close app and send feedback. Shadow P: Very good, And very simple too..Impossible Gaming: Hello dear Tynker team, I loved your app. I would spend hours making games for my friends at school after finding it on the school ipad. Although it did freeze and I lost an hour of progress with code I still love it. I even asked to change the 6 year outdated Minecraft texture and you guys fixed them that week. I only have 2 complaints. 1. The Android app is not as good as the site (I only downloaded to leave a wholesome review). 2. The website embed doesn't work and I would love some help..Darren Morton: I am in the initial stages of establishing presences on the app..Preeti Chauhan: Its ok for children under 12 and below.Melissa Ahern: it doesn't even show you how to play the god damn game.smart gs: Utter waste..Gaming YT: Wow, It's amazing..Gaming Kendra FF: Very bad app there is no coding.OG OSHO: I have made a app from this I got a project from my school.Chahatveer Brar: This is very good app to learn coding.Hacker GAMING: Yak!!!.Ardrin Joseph Pascual: These app is super cool.Grell Sutcliff: Fun game to create and learn coding. Definitely recommend this game to kids who like to learn and do code. Password Security: This is app is almost copy of scratch ... Angad Singh: Very boring am 11 but i understand it. Lovella And Angelica Do Stuff: I love the it and game they make the name is flying gay banana. Kartik Singh: It is not good game, it have many bug so do not play fake game I see a game dragon spell in game it saik walk and jump to get treasure. When I code walk the dragon walk I and get jump but the dragon not jump and the game said please said jump this the bug Where I send photo.sanyogita dwivedi: There should be some more options in the publish my game on Google Play Store, download link, publish my game on Google Play Store, download link, publish my game on the my phone and I select the option publish my game on Google Play Store, download link, also make some 3d game like other applications. Silas Herrman: It removed the moving for minecraft feature. TRASH. For moders, go to minecraft modes for mpce.. Re Kk: I am very impressed with this game are so nice. The princess beautiful world: Worst app doesn't diserve a star it just wasted my time. Kim leulua: I think its stupid and kid shold never play this app idiot. Pghl Heavco: I don't know how to do what I'm trying to teleport the characters. Patrick Rona-may: It's A exactly like scratch witch is FREE oh and it didn't save my project. Robin Arthurs: Me bord. Mateo Christmas: This is good for my kids. Pranjal Gupta: Very bad app Don't try this app.. Deepti Kaushal: This is not even downloading. Kenton Keefe: best thing ever would play over minecraft and especially love the ability to see other people's codes and just over all love it keep up the greatness in the game..rob flynn: I love this .Heidi Brocksmith: please remove the right and left bars i dont like them on the screen. Thanks!.srimoyee biswas: Fun. Melanie Lemieux: Fun for my kid.PRATTYA SHARMA: It's a very good app thanks developers nice work. Foxi: I like this coding app, it made me expand my imagination when I was younger. I really loved it but then, when my iPad broke I cried because of all of the missing projects I had on here, but, Tynker, I love you, you're awesome. Indrani Roy: It is a pretty good app, it made me expand my imagination when I was younger. I really loved it but then, when my iPad broke I cried because of all of the missing projects I had on here, but, Tynker, I love you, you're awesome. Indrani Roy: It is a pretty good app. I've made a few projects too! It has an online and offline version which i like the best. It is free too!!love this app!. Mo Abbas: Very Thoughtful.Ishika Jain: This is very nice game download kara. Anthoney Curtis: Used to be able to c r eate minecraft mods but now I can't definitely Uninstalling. Anjali Saxena: So good app but have apk mode.Priyanshu & Dhruv Tiwari: Good.superootbeer: ILOVE IT ITS SO FUN.Lindsey Crawford: I saw a YouTuber use this for a Minecraft skin edit on a M one channel: It's good app for kids who gona lean coding. thank you byjus you made a good job. Anne-Marie Santilli: Good. Seven 7 1987: Just Scratch on mobile.. Anupam Saloi: I don't like it . Gratifying Vine: This is not a code learning game this is just jigsaw game. Bryson Lewis: Bruh it won't stop crashing. Courtney Laniear: It is really fun.. Kayne Zilksen: This is really bad because I watch an ad where they hack Minecraft with this app and I realize on can I hack it and then I realize on can I hack it and then I realized no I can't please make the ads more true than fake ones please but why you have to say that it's only a Creator game not a mod creator just please update without Creator game just a mod creator @...JANHAVI BHAMRE: Omg! This app is very much usefull @.Emily Urbanski: Not to be mean but I don't like it because I don't know how to do Minecraft. Adrien Rogers: It's a good coding app that's not too hard but it still is a little difficult. But, when I left my project I hadn't saved it completely restarted, I'ved save before that! And I can only test movement on pc! So not only had I not been able to test it yet.. but it completely restarted. CatCalico: Still pretty good but how do you use cloud variables? Juan Alfaro: Fun. Kamasani Venkateshreddy: GOOD. Robert Dall: I was looking for way to learn coding that a 54 yr old (me) could use. Parent doesn't allow me to do the activities. Child seems deceiving for me to use. So I'll have to Uninstall..Kiddo: Awesome I use this alot but the only problem is when I exit my project it doesn't allow me to save/sync please fix this and you have a 5 star And it is very easy to use!.Nut Screw Gamer: The concept of building codes with blocks does interest me. However, I was unable to recover my account after years of offline. I had fun memories building codes with this apps. Now unfortunately, I have to stop there since I'm unable to recover my account. Samuel Chapman: Give app minecraft coding like website. Armin Schikorra: This is a clone of the (free) ScratchJR -- only they designed additional tutorials. Those are not really well-made. The "Tips" consist of restating the objective - without any extra help. Frustrating for kids, annoying for parents. Certainly not paying 100\$ for this....Obianuju onije: so creative!!!!.Wheel seal: Tynker.Andrew Foster: It is so annoying.Liam Riley: I like the App but it will not let me play my downlaoded music pls fix.Krista Lu: Its awsome i love to play it all day. I downloaded it on my ipad at school! I love the dress up games & the memes!. Fathimath Malsa Binth Ahmed: I'm kid. Tina Kellogg: I like this game a lot but I can't you have to get games on there and I can't do that it's too hard and it takes a long time. Moodix Ikhtiar: pelpekt. GameBrine: Really good! But I use scratch now, Janice McGivern: Tricky: How do I make Minecraft mods? Supergamers: It doesn't do a thing I tell it to dont recommend buying it. ERICSON JONATHAN: Good. Nicholas Hudson: Nicholas Carter Hudson 8. Matthias Wilmott: No reviews so I'll ddo it lol its a good app just that some times the Minecraft mods don't work there is much more on the app than they show u should download it :). Mari LadyBug: It glitches all the time. Even on my iPad and now this android!? Its a good game creator. Please fix these issues. Thanks for the help. If any can help..ELIJOHN GAMING: Great learning game/app for kids.Yñigo Galang: Can you make tutorials how to make battle cats please in YouTube.Richard Thomson Genabe: I LIKE THIS APP VERY MUCH AND PLEASE ADD MINECRAFT MOD AND BLOCK EDITOR @@@@@@.Michael Fulton: My son loves this game! Thanks for the Coding lessons you give my son!. Hemant Soni: Greatest app for coding. Zenobia Pabifio: Education and makes people inventive. Beth Kaniuk: i like it but where is the minecaft. Erin Curtis: I dont care about the coding just the minecaft mods two. Manan Hira: Okay so cool and you can make anything in this game. From the Middle East: I have had so many issues refunding this app. I used Google Play to request a refund (same day of purchase) and it was denied. I contacted the website support on Tynker and they said they couldn't do anything and to contact Google. I got on Google One and they requested me to write to the developer email. I contacted the developer on October 28 and to date have had no reply. Google has escalated it to another team to contact the developer. I'm beyond frustrated!. Stone Prince: I really don't like it because it so weird.. Has Kar: Nothing Much. Amanda Fus: hey to the creators I am on a computer. The how do I make custom sounds? Please respond! Jennifer Young: The best. Amber Phelps: EVERYTHING IS AWSOME!!!!!!!!.Thomas Gillenwater: Where the actual heck are the Minecraft stuff? Apologizes, my 11 year old son is Austic and wrote this review..legoY op 15: Stop it do not have a thing to crate it a cool app best app. Al CM: Amazing game.on my iPad at school it has this game. Oki? Ty tynker, love minecraft .ElijahBlox: Trash.CallMeANoobPls98 2: i had to delete my storage but overall...good.TrollFacePNG: This game is awesome learned about alot.Elmar Fernando: Nahh I dont like it disgusting.Unimoon Gaming: Not like it is on old school iPads. You have to pay for most of the things and you cant even go onto the community section. No where near as good as it used to be..blue rock: When i tried to go in to the workshop (on mobile) it didnt let me in. Floofster: Sign in with Google doesn't work. Yogini Dhamane: Nice.Rosa cruz: I cant publish anything can you add this to the update? Damiengamer09: Best coding app in my opinion I love it I definitely recommend. Caitlin Warfield: In videos it shows there are Minecraft things to create but when I go in the app it doesn't show anything. Firoze Shahid Hoque: Worst coding application. Kajal Bhatt: This app is best but pls remove the password. delta gaming: Fake cant mod miencraft. Brandon Almanza: Good app BEST APP LOLOLOL, juliet iscool: Sucks. A Google user: I played this in kindergarten but now I'm in 4th grade. Gallriod Edits: Hey tynker I singed up for classes on tynker and I love totaly recommend it 10/10. Janet Cupp: OMG. Thank you soooooo much for making this for Android phone. I love y'all so much *****. Velma Alinda: Fake. Raygan1224 gaming: I can learn all coding with this EVEN MINECRAFT!!!!!!!...Patricia Adams: Best app ever I can mod minecraft.Limna Sainudeen: We can get all the things to program...
